

A Smarter & More Efficient Way For Payments

Singular BillPay is a fully integrated secure web portal that gives you the ability to quickly and easily **present statements online** and **accept payments electronically**.

Hosted Payment Page

Immediately reduce risk and streamline your checkout process with Singular Billpay. Simple and secure, the Hosted Payment Page will reduce, or even eliminate, custom web development needs.

Invoice Manager

A more convenient invoicing system for your business and customers. Simply post your invoices and let Singular BillPay take it from there. Your customers get their own web portal to view invoices, make or schedule payments, view payment history, and much more.

Recurring Payments

Streamline your transaction process, increase your cash flow, and reduce processing costs with Singular BillPay's recurring billing system. It's easy! Simply enter your customer's payment info, how much, and how often to charge them. Singular BillPay takes care of the rest! Recurring billing saves you time while guaranteeing your payments run on-time, every time.

Virtual Terminals

Use Singular BillPay's Virtual Terminal to process credit card and ACH payments online securely, efficiently, and effortlessly. With Virtual Terminal, you can conveniently process payments anytime or anywhere from any computer or device with internet access. Simply input payment information and process securely
